

REMARKS

The Election/Restriction Requirement is submitted to be improper in that the Examiner stated that there are no generic claims. Claims 1 and 21 are generic to Groups I-IV. The search and examination of the entire application can be made without serious burden. The Examiner must therefore examine the application on the merits. *See* MPEP § 803.01.

The Commissioner is hereby authorized to charge payment of any additional filing or application fees associated with this communication or credit any overpayment to Deposit Account No. 13-4365.

If the Examiner has any questions about the present response, a telephone interview is requested.

Respectfully submitted,

Dated: November 14, 2005
